

Kazi I. Majeed, M.D.  
Dallas Pediatric Neurology Associates  
8390 LBJ Freeway, 10th Floor  
Dallas, Texas 75243

Dear Parents and Patients,

Thank you for the allowing me the distinguished pleasure of treating your family. It is with a heavy heart that I am announcing the decision to close Dallas Pediatric Neurology, effective September 30, 2022. After the retirement of my partners, changes in healthcare laws, and the effects of Covid-19, it has become very difficult to maintain a solo practice.

I have accepted a position with UT Southwestern and starting this fall, will be seeing patients at Children's Medical Center in Plano.

Patients, under the age of 21, who would like to continue see me are invited to call 469-303-0055 to schedule appointments beginning in October. Due to institutional policy, I will not be able to see patients over the age of 21; as a result, these patients would need to transfer to an adult neurologist.

If you wish to receive a copy of your medical records, or have them sent to another provider or facility, please email ([majeed@dallaspediatricneurology.com](mailto:majeed@dallaspediatricneurology.com)) on or before September 25, 2022. Following this time, beginning September 26, 2022, due to the office's closure, you will need to contact Corporate Records Management at [admin@crmfiles.com](mailto:admin@crmfiles.com) to request a Medical Release Request for your records. There will be a small fee for this service.

It has been an honor to be your neurologist. Wishing all of you the very best.

Sincerely,

*Kazi I. Majeed, M.D.*

Kazi I. Majeed, M.D.
